

Value Behavioral Health of Pennsylvania is on the Move!

We are pleased to announce that our Trafford office will be relocating to a new building in Cranberry Township, Butler County in October 2017. Our satellite offices will remain at their current locations. Our business, including website, email, and telephones, will be fully operational during the moving process and you should not experience any changes or delays in service during that time.

Name Change Coming in 2018

Consistent with our parent company's name, we are re-launching our brand and will become **Beacon Health Options** in 2018.

What this means for our Providers

- Easing into this change, you will begin to see some correspondence on Beacon Health Options letterhead.
