

Webinar for Providers who provide supplemental services that are not state plan programs that require an approved Service Description:

Alternative Treatment Services Monitoring Training

Thursday, August 17, 2017

10:00 a.m. – 11:00 a.m.

This training will go over the annual submission requirements for:

- Monitoring of Alternative Treatment Services
- Procedures for Alternative Treatment Services Monitoring
- Scope of the Self-Audit
- Tool for each supplemental service
- Submission of the tool

Who does this apply to?

A non-state plan service that may not be licensed by the state and/or is not required to have state approved service description. Examples of alternative treatment services are supplemental services, community mental health services (Mobile Meds), and drug and alcohol services.
