

## 2018 Annual Fraud and Abuse Training Mandatory Training for Providers

The VBH-PA Program Integrity Department is now offering the 2018 Annual Fraud and Abuse Training in one format. This new and easy format is for both established providers and new providers. Established providers are defined as providers that were in the VBH-PA Provider Network or have been paid for services prior to the beginning of 2018. New providers are defined as providers that have recently joined the VBH-PA Provider Network or started to be paid for services in 2018. Please keep in mind that all providers that provide services for VBH-PA are required to attend Annual Fraud and Abuse Training. If a provider is unable to attend the Annual Fraud and Abuse Training, the provider is responsible to independently review the mandatory training and document when the training is completed within their records. However, VBH-PA recommends providers attend the live webinar training since additional information will be available from the questions and answers during the training.

If you are an established provider prior to 2018, or a new provider in 2018, the Annual Fraud and Abuse Training will be available on the following dates. Please click on one of the links below to register for the Annual Fraud and Abuse Training:
